

COORECOM LTD HOME SUPPORT PACKAGE

New service
starting Spring
2016
just £9.90 per
month

"Hello, can you help me?
My printer isn't working, my internet
page shows a strange website, and I
can't find my photos."

"Yes we can help you fix
it yourself over the telephone
or by email or text."

TECHNICAL SUPPORT

"I've tried but I really
don't understand computers
Can you do it for me?"

"Yes we can connect
to your computer and fix it
for you from our workshop."

REMOTE SUPPORT

Our support package of Technical & Remote Support can help you with problems with home computers, laptops or iPads and even includes your home network, ie: problem with WiFi or router, and deals with minor virus or malware infection, backup assistance etc for just £9.90 per month.

(Non-package price would cost £30 for each 30-minute session)

Support covers up to 5 devices in one home location. For advanced problems or serious faults, we offer a workshop repair at a chargeable rate.
